
algowatt: corporate events calendar update

The Board of Directors of **algowatt**, GreenTech Solutions company listed on Borsa Italiana's electronic stock exchange (MTA) met today, resolved to postpone the approval of the draft financial statements and consolidated financial statements as at 31/12/2019 to a date to be determined at a later Board meeting.

The decision was taken in order to obtain a complete information framework in the light of the events after the end of the 2019 financial year and, in particular, of the evolution of the epidemiological emergency in progress, also taking into account the ESMA recommendation of 11 March 2020 on market disclosure on the impacts of COVID-19 by listed issuers, recent government measures to support businesses and the Richiamo di Attenzione n. 6/20 issued by Consob on 9 April 2020, also concerning the feasibility of industrial planning and the impact on impairment tests.

This press release is available on the Company's website www.algowatt.com.

algowatt (ALW), *greentech solutions company*, designs, develops and integrates solutions for energy and natural resource management in a sustainable and socially responsible manner. The Company provides management and control systems that integrate devices, networks, software and services with a clear sector focus: digital energy and utilities, smart cities & enterprises and green mobility. algowatt is the result of the merger of TerniEnergia, a leading company in the renewable energy and environmental industry, and Softeco, an ICT solutions provider with over 40 years of experience for customers operating in the energy, industry and transport sectors. The company, with more than 200 employees located in 7 locations in Italy and investments in research and innovation for more than 12% of turnover, operates with an efficient corporate organization, focused on the following markets: Green Energy Utility: renewable energy, digital energy, smart grids; Green Enterprise&City: IoT, data analysis, energy efficiency, building and process automation; Green Mobility: electric, shared and on demand. Different markets, a single focus: sustainability. algowatt is listed on the Mercato Telematico Azionario (MTA) of Borsa Italiana S.p.A..
