

PRESS RELEASE
Terni, September 18, 2017

TERNIENERGIA: integration of the press release
issued on 15 September 2017

With reference to the Press Release released by **TerniEnergia** on Friday 15 September 2017, and concerning the resignation of the Chief Executive Officer, Mr. Piero Manzoni - as requested by Consob - TerniEnergia clarifies that the interruption of the fiduciary relationship with the CEO was due to an irremediable difference of view between Mr. Manzoni and the Board of Directors regarding TerniEnergia's strategic vision, its prospective positioning as well as the Group's administrative and organizational management.

This press release is also available on the Company's website: www.ternienergia.com.

TERNIENERGIA (TER.MI), established in September 2005, and part of Italeaf Group, is the first Italian smart energy company, committed to bring worldwide integrated and sustainable energy solutions. Organized into four business lines (Technical services, Energy management, Energy efficiency and Cleantech), with about 400 employees and a geographic presence in almost the continents, with operational and sales offices, TerniEnergia develops solutions, innovative products and services based on digital and industrial technologies for the energy sector.

TerniEnergia, also through its subsidiaries (Softeco Sismat, Selesoft, Greenled Industry, GreenAsm, Wisave, Ant Energy), shall pursue the objectives of increasing energy production from renewable sources, energy efficiency and emissions reduction, as laid down by European environmental policy, and participates actively in the distributed power generation revolution and energy smart grids.

TerniEnergia is the ideal partner for large utilities, distributors and grid operators, power producers, public authorities, industrial customers and investors who intends to carry out large projects for the production of renewable energy plants and modern systems with high energy efficiency, solutions for the management and maintenance of the infrastructure and the electrical systems. TerniEnergia, through a complete technological and commercial offer, develops and provides technologies, turn-key services and solutions for energy consumers in the public and private sectors. The company is listed on the STAR segment of the Italian Stock Exchange.
