TerniEnergia, smart company listed on the MTA of the Italian Stock Exchange and part of the Italeaf Group, pursuant to art. 2.6.2 of the Rules of Borsa Italiana SpA, announces the following update to the Calendar of Corporate Events 2018 released last January 15:

5 November 2018 – Board of Directors

Board of Directors: approval of the interim report at 09/30/2018

9 November 2018 – Corporate event "Bits & Energy: Seizing Digital Energy's Opportunities for Sustainable Growth"

As part of the event Bits & Energy: Seizing the opportunities of Digital Energy for sustainable growth" organized by TerniEnergia and Softeco Sismat, will be presented to the industrial and financial community and to the press some qualitative points of the Recovery and Relaunch Plan of TerniEnergia, related to the strategic evolution of the two companies. The presentation will take place from 9.00 AM CET in the Auditorium Hall of the Acquario di Genova, Ponte Spinola - Porto Antico.

Speakers: Stefano Neri (Chairman and CEO of TerniEnergia) and Laura Bizzarri (Executive Director of TerniEnergia and CEO of Softeco).

To participate, it is recommended to register on the website: <http://www.ternienergia.com> or register for the event at the URL: <https://www.eventbrite.it/e/biglietti-bitsenergy-le-opportunita-della-digital-energy-per-una-crescita-sostenibile-50164636779>.

This press release is also available on the Company's website: www.ternienergia.com.

TERNIENERGIA (TER. MI), established in September 2005 and part of the Italeaf Group, is the first Italian global technological enabler, committed to bringing energy solutions and efficient recovery of integrated and sustainable resources to the world. Organized into two strategic business lines (Assets and Smart solutions and services), with about 300 employees and a geographical presence worldwide, with operative and commercial offices, TerniEnergia develops innovative solutions, products and services based on digital and industrial technologies for the energy supply chain, grids, smart mobility, industrial automation and the recovery of marginal resources.

TerniEnergia, also through its subsidiaries (Softeco Sismat, Greenled Industry, GreenAsm, GreenAsm, Purify, Wisave, Ant Energy), pursues the objectives of increasing energy production from renewable sources, saving energy and reducing emissions and actively participates in the energy revolution of distributed power generation and smart grids, with innovative digital solutions.

TerniEnergia is the ideal partner for large utilities, distribution operators and network operators, energy producers, public administrations, industrial customers and investors who intend to realize large projects for the production of renewable

PRESS RELEASE
